### By completing and submitting this application you confirm the following:

- The information you have provided in this application is true to the best of your knowledge.
- You are happy for HomeLet to complete the required checks, the results of which may be accessed again if you apply for a tenancy in the future.

### About your reference

The information you provide will be held by Barbon Insurance Group Limited and used for the administration of your referencing application. By providing this information you're confirming you give permission for Barbon Insurance Group Limited to use and store it.

- HomeLet is part of the Barbon Insurance Group Limited and for the purposes of this application, Barbon is the Data Controller as defined in the Data Protection Act 2018.
- HomeLet may pass on any information you supply to your prospective landlord and/or letting agent, including the results of any linked verification checks.
- HomeLet will share your information with credit reference agencies for search purposes. The credit reference agency will record the results of this search. This information will also be used for debt tracing and fraud prevention. The credit reference agencies will record and retain our enquiries and will leave a footprint, but this does not affect your credit rating. The credit reference agencies may check your details against any particulars on any database (public or otherwise) to which they have access in order to verify your identity. They may also use your details in the future to assist other companies for verification purposes.
- If you default on your rental payments, HomeLet may record this on a centrally held database. This could affect any future application for tenancy, credit, or insurance.
- HomeLet may use debt collection and tracing agents to trace your whereabouts and recover any monies owed to HomeLet.

When requesting access to your consumer credit report we are using Article 15 "Right of Access" rather than consent to share this data. We are using an Article 15 request (as clarified by Section 13 of the DPA2018) as the consumer's credit report is not being provided by the consumer, it is data which is already processed by the credit reference agency to which the consumer is seeking access.

You can request removal of consumer credit report data at any time, but where we have used it to provide a report to landlord or agent, we may have to retain it for some time as outlined in our retention policies.

The personal information we have collected from you will be shared with fraud prevention agencies who will use it to prevent fraud and money laundering and to verify your identity. If fraud is detected, you could be refused certain services, finance, or employment. Further details of how your information will be used by us and these fraud prevention agencies, and your data protection rights, can be found on <https://www.homelet.co.uk/privacy-notice>.

Details of addresses, including past, current, and prospective, may be provided to specified third parties which would be used for preventing unnecessary marketing communications only. This processing is carried out for the legitimate interests of both You, the data subject, and the thirdparty companies. You can also find out more about the referencing process on <https://www.homelet.co.uk>.

I understand that providing false information may lead to early termination of any subsequent tenancy agreement.
